Disclaimer: Offers apply to typical pre-2007MY S60 EGR equipped on-highway truck engines with less than 1,000,000 miles.

Premium HP ratings or newer models may include additional costs. In order to obtain the advertised warranty, EGR controls need to be replaced. All EGR components replaced during any S60 EGR StepUP overhaul will carry the same warranty as advertised. EGR components not shown on these offers are additional. Contact your nearest Penn DDA Customer Service Representative for details.

** POWERPack fuel injectors, normal wear items are covered by the 2 year/unlimited mile reliabilt parts warranty only.
